cal Cable and the Western Union es in 1885. The Commercial comsecutive introduced a new service at a word for deferred plain lances ages between New York and the rightful market of the United States as the mills of Germany."

The Post, while expressing deep gratical expressions are proposed to the constant American sympathy.

sents a word for deferred plain landary messages between New York and its. This was followed by the Westman introducing a similar service educing its rate for cable letters in 10.75 cents per message of fifteen of the Union's monopoly in Cuba, the multiple hand not been substantially respect to the Allies stand to suffer and two sweeping reductions in which had not been substantially respect to the first years; namely, one from 25 cents and again from 25 to to a word, not on account of sup the Commercial company had the Commerci

### U. S. APPROVAL OF MANN SPEECH STIRS BRITAIN

Attack on Right of Search Is Regarded as Blow at Relations.

Special Cable Despatch to THE SUN. London, Jan. 22 .- A distinctly dis-

agreeable impression has been created by the recent speech of Mr. Mann of Illinois in the House of Representatives in regard to the right of search and the hovering of British warships outside of American ports. The independent comment of the Washington correspondents, that the reception of the speech has been most favorable and is indicative of the growing sentiment in the United States. is frankly regretted here.

The case of the Nieuw Amsterdam, which Mr. Mann quoted on the authorit of a Chicago newspaper man, is decidedly at variance with the facts as known or this side. Instead of England being sought with special regard to the effect guilty of discourtesy in the only case of which the authorities have knowledge re-

### AMERICAN SHIP SAILS WITH FOOD FOR GERMANY

### A special purchase on sale today Men's Derbies & Soft Hats at \$1.95

Would be \$3.00 and \$3.50 but for the following facts:

These hats are the product of a maker whose name is known nationally for the absolute dependability of his hats. But they run a little lighter than the maker likes, though we ourselves regard this as a selling point. At any rate, we got them at an attractive figure on that account, and all things considered-quality, style, and price-we commend these Derbies and soft hats to your attention, as offering an exceptional opportunity.

And our entire stock of

\$3 to \$4 Derbies & Soft Hats also re-priced to \$1.95

(Stetson's alone excepted.)
